**CASE NO. 10-3-0003c**

***(North Clover Creek – FW 3)***

**ORDER OF DISMISSAL**

THIS Matter came before the Board on Petitioners' Motion for Dismissal of Issue 3.<sup>1</sup>

Petitioners' challenge to Comprehensive Plan Amendment M-23 (Monarch Homes) was segregated from the Consolidated Case No. 10-3-0003c to allow Petitioners Friends of Pierce County and Futurewise to negotiate with Pierce County and attempt to settle this part of the dispute.<sup>2</sup> On July 27, 2010, the Board received Respondent Pierce County's Status Report. The status report indicated that Pierce County Council had considered and adopted Ordinance No. 2010-37, amending disputed findings of fact regarding Amendment M-23. The County indicated this action would likely resolve the issues in dispute as to Amendment M-23. Petitioners' Motion for Dismissal affirms that the matter is now resolved.
